Date of Registration: 05.11.2024

Registered Office: Plot No. 401, 402 ,413, Industrial Area, Sector-III, Pithampur – 454774, (M.P.)

Introduction

Shakti Pumps (India) Limited, a leading manufacturer of energy-efficient pumps and motors, is steadfast in its commitment to environmental sustainability and legal compliance. In line with the E-Waste (Management) Rules, 2022, as notified by the Ministry of Environment, Forest and Climate Change, Government of India, the Company adheres to Extended Producer Responsibility (EPR) as mandated by the Central Pollution Control Board (CPCB).

E-Waste Management Commitment

We, M/s Shakti Pumps (India) Limited, as a Producer of Electrical and Electronic Equipment (EEE), are fully committed to fulfilling our Extended Producer Responsibility (EPR) obligations as per CPCB guidelines and legal requirements.

We have obtained our EPR E-Waste Registration from the Central Pollution Control Board (CPCB) and will ensure the proper channelization of our products at the end of life (EoL) through authorized dismantlers/recyclers.

We ensure that all collected e-waste, as well as pre-consumer e-waste generated during our operations, is handed over exclusively to CPCB-authorized recyclers for processing, dismantling, or recycling in an environmentally sound manner, fully complying with applicable environmental regulations.

Collection Points/Drop-Off Centers

To facilitate easy disposal, our designated collection point is at the registered office: Plot No. 401, 402 & 413, Industrial Area, Sector-III, Pithampur – 454774, (M.P.)

– Contact: 07292-410500

For assistance, visit www.shaktipumps.com or email: info@shaktipumps.com call helpline at 1800-103-5555.

Do's and Don'ts for E-Waste Disposal

Do's:

- Deposit used batteries and EEE at designated e-waste collection points.
- Contact our helpline for guidance on EoL product returns.
- Recycle through authorized channels to support a circular economy.

Don'ts:

- Do not dispose of e-waste in regular municipal bins or landfills.
- Do not dismantle or repair products yourself, as it may release hazardous materials.
- Do not burn, export, or illegally trade e-waste.

Plastic Waste Management Commitment

Shakti Pumps (India) Limited ensures that all plastic pre-consumer packaging waste generated during our operations is responsibly disposed of through CPCB-registered Plastic Waste Processors (PWPs), in compliance with applicable regulations.

Closing Statement

Shakti Pumps (India) Limited remains dedicated to minimizing environmental impact and encourage all stakeholders to participate in sustainable practices. This declaration is valid as of the date of registration and will be updated as per regulatory changes.
