SHAKTI
PUMPING LIFE

WORLD FAMOUS SHAKTI PUMPS

BEST SUITED FOR INDUSTRIAL, AGRICULTURE AND IRRIGATION

VISION

To become a company that constantly strives for quality and customer satisfaction by providing best pumping solutions with global benchmarks. To excel with an emphasis on best business and ethical practices with strong organizational values justifying the interests of all stakeholders.

MISSION

To work relentlessly towards coming closer to our vision statement by offering best working environment and training so as to focus on integrity and ethics. To empower the workforce to offer products and services that exceed customer expectations by providing value for money and ensuring handsome returns to our employees and shareholders thereby contributing to our mission to cross $ 1 billion mark by 2021.

IMS POLICY

Shakti Pumps (India) Ltd. is committed to achieve total customer satisfaction by, manufacturing high quality pumps with global bench mark meeting customer expectations, providing timely supply and excellent services to our customers through team work and continual improvement. We are also committed to the environment protection, health, safety and welfare of our employees, and meeting expectations of other interested parties including the society.

We shall strive to maintain high degree of goodwill and brand image to emerge as a market leader in domestic as well as in international market.

In this context, Shakti Pumps (India) Ltd. shall endeavour to...

1. Act within the framework of an Integrated Management System which consists of ISO 9001:2008 Quality Management Systems, ISO 14001:2004 Environment Management System and OHSAS 18001:2007 Occupational Health and Safety Management System.
2. Manufacture high quality products, Prevent pollution and injury or ill health and seek improvement in the efficient use of natural resources.
3. Adhere to all applicable statutory or regulatory and other requirements related to product, environment, health, safety and employee welfare.
4. Engage itself in the steady improvement in its quality, environment, health, safety and social performance and we shall motivate our self as well as our employees to achieve this goal.
5. Engage in ongoing training & motivation of its employees to pay attention to product quality, health, safety, environment and social responsibility.

We shall make this policy available to all interested parties and implement it through a frame work of objectives.

This policy is applicable to all our existing and future activities in India and abroad.

We shall Review the policy as required.
